TONNO  
**THE ULTIMATE IN  
STYLE & INNOVATION**

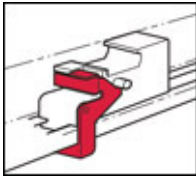

**EXTANG ENGINEERED  
FEATURES & BENEFITS**

This revolutionary new tonneau from Extang features an innovative roll up design with *No snaps or Velcro!* Extang Engineered for convenience. An integrated tension system provides instant fastening and a perfect fit all in one easy step!

**ULTRA LOW PROFILE**

Unique side rail design gives a stylish, near flush fit! Premium sewn, commercial grade tarp looks great and is built to last.

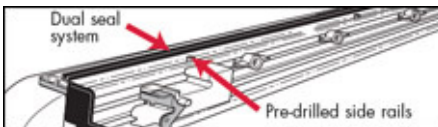

**Tension System**

Multi-directional tension system keeps tarp tight and looking great. Heavy-duty latch springs work in conjunction with spring-loaded bows to provide the ultimate in tarp tension.

**Bow Design**

Spring-loaded bows rest in rail system and provide horizontal tarp tension. Pre-positioned bows conveniently roll up within tarp.

**Easiest Install**  
(see illustration above)

**OPENS &  
CLOSES IN  
SECONDS!**

**Easy roll up**

The Revolution Tonno easily rolls up and can be secured at the cab or quickly removed for bulk hauling. With no snaps or Velcro, the tarp instantly fastens using the double-latch systems at the tailgate. It's that simple!

**Full use of truck bed**

Low profile clamps and unique side rail design keep clamps hidden out of the way beneath the side rail.

NEW**

*Freedom Tonno Tonic* by Extang. It cleans, beautifies and protects tonneaus in one step! Powerful UV protectant that is formulated precisely for our tonneau material. Tonno Tonic is the only vinyl conditioner approved for use on all Extang tonneaus.

Heavy-duty side tails are pre-drilled for quick and easy clamp placement and no drill installation.

### **WeatherTuff Seals**

*(see illustration above)*

Dual sealing system integrates a seal along the underside of the tarp with a fin seal along the siderails. The two secure together for extra protection from weather and dust.

The Revolution Tonno features Lifetime warranty coverage on both the frame and the tarp!
